## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's amendment, filed 10/12/2007, have been fully considered and reviewed by the examiner. The examiner notes the amendment to the independent claims to include the allowable subject matter of claim 8 and the cancellation of claim 8. Therefore claims 2-6, 9-22, and 34-36 remain pending in the instant application.

### ***Allowable Subject Matter***

2. Claims 2-6, 9-22, and 34-36 are allowed.
3. The following is an examiner's statement of reasons for allowance: None of the prior art cited or reviewed by the examiner reasonably suggests, alone or in combination, partially removing the negatively structured coating and the claimed hermetic coating in combination with at least partially uncovering the negative structured coating in combination with the particulars of the claims as written.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Turocy whose telephone number is
